Message To The Class Of 2006

by
Mr. Fernard M. Williams
Principal

Congratulations on your graduation from West Side High School's Business and Finance Institute. Upon completion of a twelve-year course of academic preparation, you have earned a high school diploma. High school graduation marks the end of one chapter of life and the beginning of another. As you celebrate many past experiences, friendships, and lessons learned, you will prepare for adulthood, independence, increased responsibility and future milestones. I would like to acknowledge and thank your parents, teachers, counselors, support staff, and community mentors for their hard work, love, faith, guidance, discipline, wisdom, patience, and perseverance, which nurtured you towards attainment of this long-term goal.

An anonymous African proverb states, "*Knowledge pays lifelong dividends. Continue to learn; educating yourself takes a lifetime.*" I advise you to pursue further education. In order to keep pace with the demands of the rapidly-advancing 21st century, you will need self-motivation, a positive work ethic, competitiveness and commitment. The city of Newark has produced many prominent scholars but many more are needed. As high school alumni, you are capable of improving the status of the community by inspiring and encouraging those young people who have dropped out of school to follow the positive example that you have set.

I am proud of your accomplishments thus far and I trust that you will make wise decisions that will ensure a bright future. Best wishes for continued success and remember our doors will always be open to you.

Vice Principal Mrs. Inez G. Appling

Congratulations and Best wishes to the Class of 2006!!!!

This is the year (2005-2006) that you face many challenges as you prepare for graduation and transition into successful postsecondary careers. Please remember to stay positive and focused. Strive hard to put forth your best efforts to ensure that the career choices that you make will lead to a prosperous and productive future.

Success does not come without a price. Success requires sacrifice and commitment on your part. Try the following:
Develop a plan, Set realistic goals, Commit to see your goals come to fruition, Monitor your success, then modify your plan when confronted with obstacles, Never give up on your dream, Failure is not an option, Remember to remain grounded on your spiritual faith. Throughout the past four years, I have observed you develop into mature young adults.

Mrs. Inez G. Appling

Vice Principal Mr. Jose Aviles

It's all about hard work, dedication and persistence. Keep your head up and stay determined and you will be successful.

In hearts with laughter and with tears,
Our love for you will never die,

*This Love we have for you has grown
More bright than any treasured gold,
It deepens through each friend we've known,
Each truth that to our hearts is told.
Within the shelter of your walls,
Within the rooms where wisdom calls.
Our love for you will never die,
Oh Alma Mater, West Side High.*

*Though we have need to wander far,
Close in our hearts your name will be,
Your goodness, like a radiant star,
Will rise with every memory,
And having these sweet dreams of you,
We shall remember and be true.
Our love for you will never die,
Oh alma Mater, West side High.*

"Parting is such sweet sorrow", in life and for the class of 2006. As I walk the halls of West Side High School for the last time. I get a sense of happiness and sadness. There is only one thing that I would like to say to the teachers and staff of West Side High School. Thank you, thank you for the many years of learning and understanding. For the students I wish everyone all the success and best in life.

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 Hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

- 1 30,000 National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Michael Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.
- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.
- 22 Rita hits the Louisiana coast and heads for Texas.
- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

- 24 Hurricane Wilma hits southwest Florida.

Thousands of Louisiana evacuees receive shelter and medical care in the Astrodome in Houston, Texas.

Homes across the country are opened to families left homeless in the wake of Hurricane Katrina.

Louisiana Governor Kathleen Blanco, President Bush and New Orleans Mayor Ray Nagin survey the damage in New Orleans.

Many animals left behind during evacuation are rescued and given shelter or reunited with their owners.

Thousands of volunteers help Habitat for Humanity rebuild homes in Louisiana, Mississippi and Alabama.

Three months after Katrina strikes, the first New Orleans public school reopens on November 28.
